

The Gracious Deviants are Pete Edge and Darrel Greaney, an acoustic duo from Wellington, NZ.

The name “Gracious Deviants” is both an anagram of “voices and guitars” and a fairly accurate description of the band.

Two voices in harmony blend with two acoustic guitars incorporating pop, rock, and folk sensibilities into an easily accessible sound with a broad appeal.

The music is infectious, the lyrics evocative, suffused throughout with a rich vein of sardonic humour.
